CESAR

2027 Training Schedule

Semester	Month	Course	Mode	Duration	Date	Date
1st Semester	February	Introduction to Excel	Online	1 week	22 to 26 February	R2,500.00
1st Semester	March	Data Analysis Training Using R	In-person	5 days	8 to 12 March	R13,500.00
1st Semester	March	Data Analysis Course Using Stata	In-person	5 days	15 to 19 March	R13,500.00
1st Semester	April	Data Analysis Course Using Stata	Online	4 weeks	6 to 29 April	R11,000.00
1st Semester	April	Data Analysis Training Using R	Online	4 weeks	5 to 28 April	R11,000.00
1st Semester	May	Quantitative Research Methodology Course	Online	4 weeks	4 to 27 May	R11,000.00
1st Semester	May	Advanced Course in Multiple Regression and Causal Inference Using Stata	In-person	5 days	24 to 28 May	R14,000.00
1st Semester	May	Comprehensive Course on Monitoring and Evaluation	In-person	5 days	24 to 28 May	R11,000.00
1st Semester	June	Power BI Course	In-person	4 days	22 to 25 June	R11,500.00
2nd Semester	July	Data Analysis and Visualisation Using Excel (DAVE)	In-person	4 days	13 to 16 July	R10,500.00
2nd Semester	August	Comprehensive Research Methodology Course	Online	5 weeks	3 August to 2 September	R11,500.00
2nd Semester	August	Introduction to Excel	Online	1 week	23 to 27 August	R2,500.00
2nd Semester	September	Advanced Course in Multiple Regression and Causal Inference Using Stata	In-person	5 days	13 to 17 September	R14,000.00

CESAR

2027 Training Schedule

Semester	Month	Course	Mode	Duration	Date	Date
2nd Semester	September	Comprehensive Course on Monitoring and Evaluation	In-person	5 days	27 September to 1 October	R11,000.00
2nd Semester	October	Data Analysis Course Using Python	In-person	5 days	4 to 8 October	R13,500.00
2nd Semester	October	Power BI Course	Online	4 Weeks	5 to 28 October	R9,500.00
2nd Semester	November	Data Analysis Course Using Stata	In-person	5 days	8 to 12 November	R13,500.00
2nd Semester	November	Data Analysis Course Using R	In-person	5 days	15 to 19 November	R13,500.00
2nd Semester	December	Advanced Course in Multiple Regression and Causal Inference Using R	In-person	5 days	6 to 10 December	R14,000.00

To explore more of our courses or customise a training solution for your team, visit www.cesar-africa.com or send us a WhatsApp on +27 77 425 5124.

All in-person courses require approximately 8 hours per day: from 8 am to 4.30 pm with lunch and two tea breaks.

All online courses require approximately 10 hours of study per week: two live online contact sessions, each lasting three hours (6 contact hours per week), and approximately four hours of self-study and assignments.
